excerpt from a d104book of physiology the preparation of this textbook was begun before the war at a time when we were both actively engaged in teaching at the london hospital medical college and when it was considered that we might with advantage put together and harmonize the physiology we were teaching in order to secure uniformity of style each section has been written in the first instance by the same hand and then finished in its present form by careful collaboration between the two of us while physiological research has been confined in many directions progress along certain lines has been especially remarkable since the outbreak of war we have endeavoured to take these recent advances into consideration before completing the work in spite of the great difficulties under which we in common with all physiologists have laboured the book has been written with the primary object of giving to the student in an easily understandable form the fundamental facts and theories of physiology hearing in mind the limitations necessary in a student s textbook we have followed the example of michael foster and have avoided burdening the students memory with the names of authorities when ready to leave the narrow scope of a textbook for the wide realms of independent thought those who wish to extend their physiological knowledge can easily find their way into the literature of research by means of

the various archives and journals of physiology although written primarily to meet the requirements of the medical student it is hoped that in view of the ever increasing importance of the proper application of physiology to general medicine the work may also prove of value to the general practitioner about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks.com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
